University of Minnesota - Twin Cities

Psychology - Bachelor of Arts

📍 Minneapolis, MN

Epicodus

Bootcamp Certificate

📍 Portland, OR

- Javascript
- C#
- .NET
- React
- Functional Programming

WORK EXPERIENCE

Breakside Brewery, Portland OR – Brewer

December 2021 - May 2023

- Ensured product quality by performing QA testing and confirming less than 10% difference between wort samples.
- Produced over 15,000 pints of beer per shift, adhering to strict quality and consistency standards in order to maintain award-winning quality beer.

Pryes Brewing, Minneapolis, MN – Packaging Lead

May 2020 - Oct 2021

- Oversaw the production of ~6000 barrels of beer, trained new employees on how to maintain company standards.
- Responsible for ordering over 10,000 units of product to be brought to the production site for filling or labelling.
